

Year 1 & 2: Spring term 2018

Title: What a Wonderful World.

Communication Language and Literacy

Key Text: 'The Journey Home'

We are looking forward to using the text *The Journey Home* as our stimulus for writing about our wonderful world.

We will be using our text to develop and improve our writing demonstrating writing for different purposes. Through our learning we will write using noun phrases, writing questions, writing commands and then create an eye catching poster.

ICT:

We will be developing our ICT skills on a weekly basis to research and look at illustrations and then creating our own illustrations. We will be learning how to save and retrieve our illustrations.

Physical Development and PSHE

PSHE:

We will be following our new Jigsaw scheme with the new focus being on Dreams and Goals and Healthy Me.

PE: We will be working through the Real PE curriculum which looks at the skills used for ball games (passing, catching, balancing, and hand-eye co-ordination) and playing games.

Please remember to have PE kit in school on a **Tuesday** and a **Wednesday** (All PE kit must be named).

Knowledge and Understanding of the World

SCIENCE:

We will be learning about different animals and their habitats and creating different habitats in the classroom areas. We will be creating oceans, deserts, jungles and urban areas.

GEOGRAPHY:

We will be exploring and discussing the different habitats and where they can be found in the world. We will be making a globe and placing the animals in the correct habitats and explaining why this is the correct habitat for each animal.

RE: Beliefs and Moral Values.

We will be looking at different religions across the world and sharing key traditions for each religion.

Mathematical Development

The main focus at the start of this term:

Year One Addition and Subtraction:

- Adding 1 digit and 2 digit numbers.
- Showing mastery in addition sums.
- Subtracting 1 digit and 2 digit numbers.
- To show an understanding of addition and subtraction and to problem solve key questions.

Year Two Multiplication and Division:

- To show fluency in division and multiplication
- To practically divide and multiply explaining reasoning.

We will also in our sparking start be measuring animal footprints using non-standard and standard measurement.

We will be continuing to practise our times table knowledge through our daily Rock Star.

Further practise of the skills taught within school will be set on MyMaths for pupils to try at home.

Enrichment

We will learn first-hand through our learning journey about animals and habitats and using our key text throughout the term to reinforce our learning.

Creative Development

We will be inviting parents into the classrooms to an exciting crafting workshop linked to our learning journey.

OUR GRAND FINALE...

For our grand finale we will be taking a trip to Hamerton Zoo.
