

Latest! Joseph: The Naughty Giraffe

by Gillian Overitt

Joseph is a naughty young giraffe who is carrying an unwanted passenger. His name is Red, or to give him his full name - Red Billed Oxpecker. Red is a bird who enjoys nothing better than to eat all the ticks that live on the giraffe. However, Joe does not like the tickling from Red as he hops about. He certainly does not like the bossy little bird's constant warnings, leading Joe into all sorts of trouble.

Will Joe ever become a 'good' giraffe? Will he accept that Red's help? Is there just too much difference between these two, as they wander through the dangers of Africa?
