Dear Parent/Carer,

We are writing to inform you that a local charity, St John Ambulance has generously offered to fund free First Aid training for the children in Years 5 and 6.

St John Ambulance will provide a whole day of **free** first aid training that usually costs over £200. The session will take place on **Wednesday 21<sup>st</sup> February** and will cover bleeding and bandaging.

First Aid Sessions offer an excellent way of promoting children's spiritual, moral, social and cultural (SMSC) development – particularly their self-confidence, self-knowledge and their ability to recognise the way they can positively impact the lives of others. Furthermore, St John Ambulance first aid courses contribute our schools commitment to teaching British Values, as well as also complementing aspects of the Science and P.E National Curriculum across all Key Stages.

If you have any questions then please feel free to speak to your child's class teacher.

Kind regards

Mrs Oliver, Mrs Moody and Ms Judkins  
Year 5 and 6
