

Risdene Academy

We believe:

- ❖ In instilling our children with a love of learning that will last them for a lifetime by providing a curriculum that is broad and balanced and relevant to life in modern Britain.
- ❖ That our children should enjoy learning, make good progress, and achieve.
- ❖ That our children need to have their successes, no matter how small, recognised and affirmed. Celebrating success at Risdene Academy has a high profile. It encourages our children to continue to learn and gives them the feel good factor.
- ❖ That it is important that we tell our children every day that they can succeed and that they believe they can to.
- ❖ In promoting an 'I can' culture.
- ❖ That children must come to school knowing they are safe and secure.
- ❖ That our children should learn in an environment which will not tolerate bullying of any form, and where there is tolerance and respect for others.
- ❖ That in order for our children to be safe they need to know, and buy in to, the school and class rules.
- ❖ That our children should be confident individuals who are able to lead safe, healthy and fulfilling lives.
- ❖ That our children should leave school equipped to make a success of their future opportunities.
- ❖ That our children should have a sense of belonging to a community where they are respected and valued.
